Press Release

Structure Fire: 28W100 Block of Manchester Rd.

20 February 2023 @ 2300

At 11:01 pm on Monday, 20 February 2023 the Winfield Fire Protection District received a call into the DuComm Dispatch Center for a structure fire on the 28W100 block of Manchester Rd., Winfield, IL, from the homeowner reporting a fire on the first floor. Crews went enroute within 1 minute and the first fire units arrived at 11:05 pm reporting smoke from the 1st floor with all the occupants out of the house. Crews made entry into the house to extinguish a fire on the first floor quickly, within 10 minutes. Crews continued with primary searches and checked for extension finding no further problems. 13 fire Units and 27 firefighters from 5 agencies responded to the fire. Winfield was assisted by personnel from the following Departments: Wheaton FD, Warrenville FPD, West Chicago FPD, Carol Stream FPD, and Bloomingdale FPD. The cause of the fire is still under investigation.
